Starting Wage: \$20/hour

Increase to \$21/hour after 3 months

McDonald's is currently looking for a reliable Facilities Maintenance Technician to join our team. This role supports multiple restaurant locations with maintenance and specialized cleaning to keep equipment and facilities running smoothly.

Job Responsibilities

- Perform weekly, monthly, and quarterly cleaning of restaurant equipment and dining areas
- Perform weekly and monthly outdoor landscape maintenance
- Assist with equipment maintenance and calibration
- Travel between 1–4 locations as needed
- Ensure equipment and facilities remain clean, safe, and operational
- Occasional on-call support may be required for urgent situations

Preferred Qualifications

- Experience with restaurant equipment cleaning, maintenance, or calibration (preferred but not required)
- Training provided for the right candidate
- Fluent English speaking and communication skills
- Access to a vehicle preferred due to travel between locations
- Strong work ethic and attention to detail
- Ability to work independently and manage tasks across locations

Schedule

- Flexible daytime scheduling
- Optional 4-day work week available
- Most statutory holidays off
- Typical daytime hours depending on location needs

What We Offer

- \$21/hour after 3 months
- Annual performance-based wage increases
- Mileage reimbursement available for work-related travel between locations
- Company benefits available
- Consistent full-time hours with year-round work
- Opportunity to learn restaurant equipment maintenance and grow within the company

We welcome applicants from cleaning, maintenance, landscaping, restaurant, and general labour backgrounds.

If you are dependable and enjoy hands-on work in a fast-paced environment, we encourage you to apply.
