KEY RESPONSIBILITIES:

- Drilling and grinding metal pieces
- Applying glue to various materials using a spray gun
- Assisting with moving items around the factory
- Cleaning work area and tools
- Complying with safety and other factory procedures
- Work collaboratively and safely with colleagues in cross-functional roles and departments for related projects.

- Other related duties, as assigned.

REQUIRED KNOWLEDGE, EXPERIENCE AND SKILLS:

High school diploma or equivalent

- Proficient in using small hand and power tools such as drill, grinder, spray gun,
- Proficient in using measuring instruments
- Be able to work independently and as part of a team
- Be in good physical shape with ability to lift loads and wear a respirator (specific for some tasks)
- Excellent track record of being punctual, reliable, dependable, and trustworthy
- Must be able to speak and write in English

WORK CONDITIONS:

- Working in a manufacturing environment daily
- Extensive periods of standing
- Ability to complete crane/hoist training.
- Remain alert for extended periods, paying keen attention to detail
- Ability to lift 23 kilograms (50 lbs)
- Must be able to wear standard PPE in a manufacturing plant

Why Join AMBICO?

- Competitive hourly rate of **\$25.77**
- Part-time schedule offering flexibility
- Safe, team-oriented work environment
- Opportunity to gain manufacturing experience with a respected Canadian company
- Work with a team that values family, tradition, and excellence

Apply Today!

Apply through our website at www.ambico.com/careers/ by 4:00 p.m. on October 23, 2026.

Interviews will be conducted on an ongoing basis, and candidates may be contacted before the posting deadline. If you would like more information about this position, including the full job description, please contact HR at recruitment@ambico.com.
